Canadian Radio-television and Telecommunications Commission  
Broadcasting Notice of Consultation CRTC 2011-427

Shelburne, Ontario Application 2008-1426-1

I do not want to appear at the public hearing but I would like to support the application by **Bayshore Broadcasting Corporation** for a Country Music Station in Shelburne.

I have listened to the Country station out of Owen Sound for many years when I can get its signal and I would welcome the same type of quality local service for our area.

Regards,
