Telecommunications Commission**

Dear Mr. Traversy,

**Re: Application by Rogers Broadcasting Limited
SONIC Chilliwack (CFUN-FM) Licence Renewal
Application no. 2012-0029-5**

This is a letter of support for the application filed by Rogers Broadcasting to amend and renew the broadcasting licence of SONIC Chilliwack for seven years.

SONIC is a station that supports its local community by providing important information on City initiatives, activities and news updates to the residents.

It also has great music that many young locals enjoy hearing. Therefore, it would be most appreciated if the Commission would renew its licence for the full seven year licence term.

I would like to thank the Commission for the opportunity to express my support for this application by Rogers.

Warm regards,

Sharon Gaetz
Mayor
