

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of CHEZ 106 for seven years.

The Motorcycle Ride For Dad is an Ottawa based, national charity, that raises funds for prostate cancer research and awareness. CHEZ 106 has been an active participant in the Ottawa ride for the past few years.

In the month leading up to our event each June, CHEZ 106 has helped us get the word out about our event and has run our PSA's many times. We often get people tell us they heard one of our ads on CHEZ.

CHEZ 106 is a station that supports its local in addition to our event, CHEZ has been there to support us in between rides. In the past they have helped promote our partnership with the Ottawa 67s and have promoted other fund raising events that happen through out the year.

It also has great music that we enjoy listening to. Therefore, we would like the Commission to renew its licence for the full seven-year licence term.

We thank the Commission for the opportunity to express our support for this application by Rogers.

Sincerely,

Darren Parsons
