Dear Mr. Traversy:

Re: Application by Rogers Broadcasting Limited
CHEZ 106 (CHEZ FM) Licence Renewal
Application no. 2011-0183-1

This is a letter in support of the application.

I was the principal founder and then Chair of the Board of CHEZ FM.
I have been in the music and radio business for 50 years, and have been a member of many local arts related boards.
I'm currently a partner in True North Records.

I'm very pleased with recent subtle changes to the station's music, that will help in the continued relevance for the audience.
The people at CHEZ are always still concerned about the Ottawa Community and contribute to making our city and region a better place.

I do hope that you allow this licence to be renewed.

Thanks for the opportunity to support this applications.
