Dear Mr. Traversy:

**Re: Application by Rogers Broadcasting Limited
CHEZ 106 (CHEZ-FM) Licence Renewal
Application no. 2011-0183-1**

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of CHEZ 106 for seven years.

As an Ottawa-based outdoor journalist with several publications including the *Ottawa SUN*, *Bounder Magazine*, *Outdoor Canada* and *Outdoor Sportsman* magazines, I have had the pleasure of appearing many times on CHEZ 106 over the past 10 years. From the first day my Outdoors Column ran in the *Ottawa SUN* more than a decade ago, I have been interviewed on the air as the Outdoors Guy – discussing the merits of ethical hunting, fishing and conservation. As a professional in a tough niche market, CHEZ 106 has been extremely supportive of me personally; and willing to only discuss issues pertinent to my readers.

CHEZ 106 is a station that supports its local community, and has whole-heartedly supported the outdoor enthusiasts of this City as well. I am also aware that most of the outdoor community and many of my advertisers are now tuning to CHEZ as their station of choice. CHEZ 106 is a radio station entrenched in Ottawa history – one that never shies away from supporting local business and activities in the Great Outdoors, and does so with professionalism and candor.

It also has great music that I enjoy listening to. Therefore, I would like the Commission to renew its licence for the full seven-year licence term.

I thank the Commission for the opportunity to express my support for this application by Rogers.

Best regards,

Jeff Morrison
