Dear Mr. Traversy:

**Re: Application by Rogers Broadcasting Limited
CHEZ 106 (CHEZ-FM) Licence Renewal
Application no. 2011-0183-1**

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of CHEZ 106.

I believe that CHEZ 106 is a station that provides excellent local programming, supports its local community and has great music that we enjoy listening to. Not only does the station do a great job supporting the community but the morning team of Doc and Woody donate countless hours to all kinds of charitable events and causes. Without them they would have to look elsewhere for funds and more importantly promotional support. Therefore, we support this application and request that the Commission renew its licence for the full seven-year licence term.

We thank the Commission for the opportunity to express our support for this application by Rogers.

Sincerely;

A handwritten signature in blue ink that reads "Steve Berry".
