Dear Mr. Traversy:

**Re: Application by Rogers Broadcasting Limited
CHEZ 106 (CHEZ-FM) Licence Renewal
Application no. 2011-0183-1**

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of CHEZ 106 for seven years.

I am a professional musician living in Nashville, TN but spent most of my life in Ottawa. I've toured the world both as a solo artist and as a guitar player for other artists, I've released 4 studio albums independently and written songs that appear on other artist's CDs. Over the years I've developed a great working relationship with CHEZ 106 having been a guest on air and playing many of their events.

CHEZ 106 is a station that supports its local community. Not only do they tirelessly raise money for local charities but they provide a great deal of service to the local musical community as well. During my time in Ottawa, CHEZ 106 provided me as well as many of my musical peers with a lot of invaluable support by playing our music regularly and inviting us to appear as guests on the "Doc and Woody" morning show which allowed us to reach a much bigger audience to advertise our upcoming shows or the release of new music. They also provide opportunities to play their events like concerts, golf tournaments, and Ottawa River boat cruises to name a few.

It also has great music that we enjoy listening to. Therefore, we would like the Commission to renew its licence for the full seven-year licence term.

We thank the Commission for the opportunity to express our support for this application by Rogers.
