Dear Mr. Traversy:

Re: Application by Rogers Broadcasting Limited
Y101 (CKBY-FM) Licence Renewal
Application no. 2011-0205-3

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of Y101 for seven years.

As a City Councillor, I believe we all benefit from the work that Y101 does for the City. This is a station that supports its local community with such things as the Y101 Boot Scooters, who have raised thousands of dollars for the Make-A-Wish Foundation of Eastern Ontario and Y101 FarmAid, an outdoor country benefit concert to aid Ottawa area farmers.

It also has great music that I enjoy listening to. Therefore, I would like the Commission to renew its licence for the full seven-year licence term.

I thank the Commission for the opportunity to express my support for this application by Rogers.

Respectfully,

Allan Hubley
Councillor, Kanata South Ward 23
