Dear Mr. Traversy:

**Re: Application by Rogers Broadcasting Limited
 CHEZ 106 (CHEZ-FM) Licence Renewal
 Application no. 2011-0183-1**

This is a letter of support for the application filed by Rogers Broadcasting to renew the broadcasting licence of CHEZ 106 for seven years.

Sparks Street, North America's Original and Longest Pedestrian Mall, is a hub of activity and excitement, one block south of Parliament Hill in the Historic District of our Nation's Capital. For many years, Sparks Street has had a very strong and dynamic working relationship with Rogers and we are very appreciative of their professionalism, quality programming, and ability to deliver strong media, advertising and promotional opportunities for us.

CHEZ 106 is a station that supports its local community in many ways including the very exciting Zombie Walk, International Chicken Ribfest, and our NEW Car Show and Shoppingfest.

I would be remised if I did not mention the awesome music programming and radio personalities that makes Rogers a true leader in the Broadcasting World. Therefore, we would like the Commission to renew its licence for the full seven-year licence term.

We thank the Commission for the opportunity to express our support for this application by Rogers.
