Dear Ms. Thomas:

RE: Eligibility Confirmation of MusiCounts-MusiCompte for Canadian Content Development (CCD) Funding

---

It was a pleasure to speak to you this afternoon and to learn more about MusiCounts/MusiCompte.

Members of the staff of the Radio Policy and Applications Directorate at the CRTC have reviewed the documentation you presented at our meeting.

Staff has concluded that broadcasters could consider their contributions to the pre-tax expenditures for costs related to the purchase of musical instruments and associated activities for young Canadians. Please note that federal and provincial taxes are not costs eligible for CCD. For additional information about the CCD policy you may wish to consult the following page on the Commission's website:  
<http://www.crtc.gc.ca/eng/general/ccdparties.htm>.

We wish you much success on your very worthwhile initiative.

Should you have any questions concerning the contents of this letter, please do not hesitate to contact me by telephone at (819) 997-9382.

Kind regards,
