Re: Telecom Notice of Consultation 2018-422, *Proceeding to establish a mandatory code for Internet services* – Shaw’s Final Reply Comments

File No: 1011- NOC2018-0422

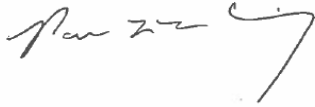

1. Shaw Cablesystems G.P. (“Shaw”), on behalf of itself and its affiliate Shaw Telecom G.P. (operating as Shaw Business), is pleased to provide the attached final reply comments in connection with the above-referenced proceeding.
2. In accordance with section 39 of the *Telecommunications Act*, certain information provided herewith is submitted in confidence with the Commission. This information includes sensitive financial and commercial information that is consistently treated in a confidential manner by Shaw. Furthermore, release of this information on the public record would provide existing and potential competitors with invaluable confidential information about, and insight into, Shaw’s business model, operations, and growth strategy that would not otherwise be available to them. This information could be used by such parties to develop more effective business and marketing strategies which could reasonably be expected to prejudice Shaw’s competitive position and/or result in material financial loss to our organization. An abridged version of the filing is being provided for placement on the public record.
