Dear Secretary General,

Re: CBC License Renewal Hearing (CRTC 2019-379)

As promised, we are writing in response to a question posed by Commissioner Claire Anderson to the Canadian Media Guild (CMG) during our appearance at the CBC License Renewal Hearing on January 26, regarding CMG Recommendation #5 in our written submission as it relates to pay equity.

While our union is concerned, and continues to work to obtain transparent information, about pay equity at CBC/Radio-Canada, we recognize this is a matter more appropriately addressed through the Pay Equity Act.

Sincerely,

Carmel Smyth
